## ABOUT FARMS DECK

Your professional and confidential partner for high quality produce, excellent corporate planning and an advanced logistics processing! In India, land of Nashik is an abode for cultivating internationally acclaimed Table Grapes and Wine variety Grapes. Nestling at the feet of the Sahyadri hills, Nashik is endowed with suitable soil. It's pleasant, dust free and non-corrosive weather equals the topography of the South of France.

Setup in 2017, Farms deck plays a major and fundamental role in trade and nutritioning. Asia's fondness to fresh produce has led us to deliver best outcome of health & satisfaction to our customers and collaborate only with the best producers. Farms Deck is one of the leading exporters from Nashik supplying to Europe, Russia, Middle & Far East.

Indian grapes are available in varieties as Thompson seedless, Flame seedless & Sharad seedless (black), Crimson (red), Jumbo-black seedless, Super Sonaka seedless, R.K seedless etc. The availability of grapes in India is from December to May with some early colour varieties also available in December. The careful selection of our producers has developed over the years, and now we can proudly affirm that we reached a considerable potential regarding quality and quantity of our products.

We export grapes from certified Global Gap farms. We cherish established relationships with our importers & offer the best in terms of services, quality, reliability and terms. Grape exports to European countries begin late in January while exports to Russia, Far East, Gulf, Sri Lanka, China, Thailand, Singapore, Hong Kong and other places begin in December. Our commitment made it possible for us to guarantee mixed deliveries with exceptional delivery times.
